**True Temper Shovel Features:**

- **Handle Features**
  - TPE resin-covered steel handle can stand up to brutal winter demands.
  - Gain more leverage as you remove snow with the Versa Grip, an ergonomically designed grip that accommodates multiple hand positions for scooping, pushing, and unloading piles of snow.
  - Your hands are also secured with the anti-slip grip provided.
- **Blade Features:**
  - The plow blade shape helps you push away both snow and slush from wide areas.
  - Safe on all outdoor surfaces, from driveway, sidewalk, deck, and patio surfaces.
  - Made from UHMW nylon, a material that is long-lasting and wear resistant to withstand the demands of heavy snow removal.

**All Shovels come assembled and have Ergo grips!**
